Dear Sir:

The above-identified patent application was unintentionally abandoned. Subsequently, on December 17, 2002, a Petition to Revive an Unintentionally Abandoned Application Under 37 C.F.R. 1.137(b) was filed. A Decision on Petition was mailed on May 7, 2003, indicating that the Petition was dismissed. In the Decision on Petition (enclosed herewith), it states that "The instant petition lacks item (1)." The Decision on Petition then goes on to state that the Notice of Allowance and Issue Fee Due that had previously been paid on May 29, 2001 of \$620.00 is now insufficient for paying a subsequent issue fee due on the same application of \$640.00. It is believed that the above quote of "The instant petition lacks item (1)" relates to this insufficiency in funds for paying the issue fee. Accordingly, since the Applicant was given two months to reply and thereby correct the deficiency of \$20.00 in the Notice of Allowance and Issue Fee Due, enclosed herewith is the check for the additional \$20.00.

In re Application of
Dennis J. DUPRAY
Application No. 09/176,587
Filed: October 21, 1998
Attorney Docket No. 1005-DJD

DECISION
ON PETITION
37 CFR 1.137(b)

This is a decision on the petition filed December 17, 2002, under 37 CFR 1.137(b), to revive the above-identified application.

The petition is DISMISSED.

Applicant is given TWO MONTHS from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 CFR 1.137(b)". Any extensions of time will be governed by 37 CFR 1.136(a).

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c).

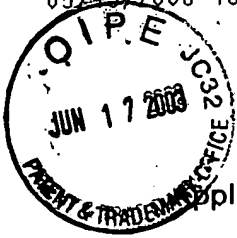

The instant petition lacks item (1).

The instant application became abandoned for failure to timely submit the Issue Fee required by the Notice of Allowance and Issue Fee Due mailed on July 29, 2002. In particular, petitioner failed to return the issue fee transmittal (Form PTO-85b), or an equivalent thereof, requesting reapplication of the previously paid issue fee, submitted May 29, 2001, toward payment of the issue fee required by the new Notice of Allowance and Issue Fee Due, mailed July 29, 2002. By way of submission of the form PTOL-85b with the instant petition, petitioner now requests that the issue fee submitted May 29, 2001 be applied toward the outstanding issue fee due. However, the record reflects that the issue fee submitted May 29, 2001 was paid in the amount of \$620. Petitioner is advised that at the time of filing the instant petition, the issue fee due was \$640. Therefore, the instant petition cannot be granted at this time because petitioner did not
